- b. Approval of Invoices – Mary Holley- no outstanding invoices, no travel
- c. **Etransfer-** Winnona Kilbourn – no etransfer to the membership chairperson, memberships can be paid by cheque, bank draft or postal money order. Etransfer can cost extra unless the organization has a large business account. Mary Holley checked with the AHPA bank account supplier and it would probably cost approximately \$89.75 per month. Cindy Ekkel advises she only pays a small amount; however, there are only two people in the organization who want to use etransfer. Vic Ouellette moved the payment of membership remain the way it is with no etransfers. Elaine Sanderman seconded. Motion Carried.

- d. **Newsletter-** Mary Holley moved that AHPA discontinue mailing the newsletters. Russell Mercer seconded. Discussions: Mike assumes he will take the responsibility of the courts. Myrna suggested that AHPA pay for his gas when moving the courts back and forth.

Jane – extra time required to prepare so more feasible to be in the SE quadrant. Cindy advised there is a hole in the trailer also the rugs take up a lot of the room, are they needed?

Cindy Ekkel moved to add to the above motion that Mike accept the trailer, have hole fixed and disposal of the carpets. Darla seconded; Motion Carried

- f. **2021 AHPA AGM-** Don Wilby, President of Calgary Horseshoe Club proposed to host the 2021 AHPA AGM, Saturday October 2, 2021. Awarded to Calgary, no other proposals received.
- g. **Criteria for Affiliation in AHPA-** reasoning for updated criteria. Some clubs are not meeting the criteria, such as proper number of Executive; some Executive not renewing memberships, club not having a proper bank account. AHPA is to have a complete list of their Executive to be in the Minute Book. Suggested the clubs are responsible to notify the Secretary of AHPA of their Executive List each year. Cindy Ekkel moved that effective immediately in order to be affiliated with AHPA to hand in your list of Executive and must be current members in good standing. Seconded by David Kilbourn. Motion carried.

AHPA 2020 Treasurer Report

As of August 31, 2020, the AHPA is in an unusual position. The future is impossible to forecast.

The income for 2020 was near normal but expenses were greatly reduced with no tournaments and no travel. 2021 however could see the AHPA lose some of the normal sources of income.

The balances in GICs and bank accounts were

General	\$65882.89
Casino	\$87506.62
Canadians	\$14972.85
Tournament	\$2649.00
Total	\$171011.36

The 2019 casino revenue deposited in February of 2020 was \$67260.60. Although the next casino should be in the 4th quarter of 2021 it will likely not be until the 2nd or 3rd quarter of 2022.

AB Sport Connection issued grants according to previous schedules, however, they have advised that how we report members is not acceptable. Associate members are not to be counted in our totals. Currently, they are still allowing us to count students from the high school programs. The membership for this year is down so much that we may lose our grant from ASC.

Expenses for 2020 were down in the areas of tournament added prize money because the Provincials and the AB Open were cancelled. Travel, both in –province and out-of-province was down by about \$14,000 because travel paid out in September and October of 2019 was for travel actually completed in July and August of 2019, thus the previous fiscal year.

AGLC has suggested that the 24 months to spend casino revenue could be extended but that the use of proceeds will not be changed unless it relates to COVID-19 requirements.

AHPA 2021 & 2022 Draft Budget

The drafts presented balance every two years as required by AGLC.

In compiling these two years budget the following assumptions have been made:

1. That the AHPA will have a casino and receive those funds in the 2022 fiscal year
2. That AB Sport Connection will continue with grant money with our greatly reduced membership numbers in 2020 and the disallowing of counting associate members
3. That the membership will support the AHPA in fund raising to host the Canadians in 2022
4. That tournament attendance improves from 2019 when tournaments resume
5. That AGLC continues to approve out of province travel
6. That the Provincials, AB Open and Memorial tournaments are held where travel is within the \$2000 per tournament amount
7. That the newsletter be put on the web and no longer printed and mailed out. I have allowed limited funds for postage and newsletter.
8. Bank fees will not increase.
9. Accounting fees will not change. When the AHPA has to contract with a different accounting firm the cost of the annual notice to reader will be at least triple.

Notes:

The money in the Tournament account can only be used for prize money for the Provincials, AB Open, Memorial and the Western Canada Classic when in Alberta. Money deposited to this account comes from entry fees and donations from individuals, clubs and the AHA general account as per the budget.

The Canadians accounts are restricted to use for hosting the Canadians. These funds have been accumulated from the end of the last time AHPA hosted in 2014 when the balance was \$10567. This means only \$4405.51 has been raised in over 6 years.

The Casino accounts income is from Casinos (usually every 24 months) and any donations from other AGLC funded organizations. All funds must be spent according to the current Use of Proceeds. All funds used for out-of-province travel must be pre-approved by AGLC. All funds spend from the Casino account are reviewed annually by AGLC where they check invoices, receipts and bank and accounting records.

The General account income is from AS Sport Connection grant, membership fees, sales of game related goods, silent auctions and donations. General funds are used for affiliation fees to Horseshoe Canada, insurance, administration supplies, annual accounting fees, tournament travel for players between the ages of 21 & 60 and added prize money for the major tournaments.

Hi Everyone,

Oct. 3, 2020

This has been a most unusual season for horseshoes. From what I understand, the flu' of 1918 was the last serious catastrophe that occurred in North America. Unfortunately, this is one up on that one as this pandemic affects the entire world! We have had some good come of it though, through backyard horseshoes! As the saying goes, when you are handed lemons, all you can do is make lemonade! Correct me if I'm wrong, but I think Tom Moffat should be given "kudos" for making it possible for those who weren't looking forward to horseshoe withdrawals. Our Canadian President came on board to assist and set up a Canadian backyard horseshoe tournament. What a great way to spend the summer! Enjoying our hobby and keeping ourselves practised up. These tournaments were sanctioned. So were recorded and the results were sent into Canstats.

On another note, Calgary has just recently been able to play indoors since their huge renovation of the playing floors. A few clubs have been doing some pitching as well, since they are all outdoors.

The Olds and Innisfail clubs have had their pits moved to new locations and are both up and running. Check with their clubs to find out where they are at when they have their tournaments this coming year. We have a club-in-waiting, too. If all goes well, we will be playing in Strathmore in 2021, along with the rest of the clubs!

In closing, I am so very glad to be able to attend here and see everyone again, even if it is just for a day. We look forward to a more productive year in that we will be able to enjoy horseshoes with our fellow players right there beside us! As it is, we must remain vigilant but stay positive as we continue in this pandemic. Here's to good pitching in 2021. Keep safe all!

RE: 2020 AGM Annual Report

This has been a trying year for all of us and hopefully we will all come through it better than before. I want to wish everyone good health for the upcoming year.

A total of five members participated weekly in the 2020 Backyard Tournaments throughout the summer. Our club members had a very good showing with a number of first and second place finishes. In August, Omer Corbiere, Dan Leis and myself participated in the Canada Open Tournament. Omer and Dan came in first in their classes.

A special thanks to Tom Moffat and his helpers who coordinate and kept track of all the stats for these tournaments.

Our Annual Dinner meeting is being held outdoors and the Henderson Lake Horseshoe pits on September 10, 2020. It was good to see a lot of our members that we had not see all year keeping in mind social distancing.

We will continue to participate and support the efforts of the Alberta Horseshoe Pitchers Association.

MEDICINE HAT HORSESHOE CLUB ACTIVITIES IN 2020

In the spring of this year the horseshoe club executive prepared an email message sent to all members about club play with Covid 19 rules. We asked for responses from the members as to if they would play, we only had a few members confirm they would play.

We started our play days on every second pit and members throwing from opposite ends. We didn't have enough participation to start league play and interest dropped off with the playing members. The Covid problems caused most members to stay away for the season.

Our executive felt that our sponsors had enough Covid concerns and didn't approach them this year. We have had requests from sponsors to provide details for our 2021 sponsor program. We will approach all past sponsors and look for new 2021 sponsors.

We missed hosting our high school students because of Covid. However, we were able to arrange a successful horseshoe event day for the teachers. We are looking at more event days for next year to promote horseshoes in Medicine Hat.

We had our AGM Oct 10, 2020 but failed with only four members attending. We will reschedule the meeting. We have managed to renew six memberships and will continue to contact our current membership to forward their application to AHPA before the year end.

Zone 2 Report

As stated in the old Chinese curse, we are living in interesting times. The clubs of Zone 2 are doing well and there have been no reports of infection or illness, however, keeping vigilant and safe are still of utmost importance.

The Olds Club managed to start playing on the brand new Rotary Park courts and, from all accounts, players are extremely pleased with the efforts. We did play an abbreviated season for league and we have recently wound up play, mostly due to the lack of sunlight. It gets dark early.

The addition of the Strathmore Club comes at a difficult time, but the unflagging efforts of Wes Walker and his cohort, are making progress. The AHPA stands ready to assist where we can.

Next season will bring change, hopefully for the better, and the Clubs of Zone 2 will adapt to whatever comes our way.

October 2019-2020

This has been historic year, which I am sure everyone would agree, we could have done without.

The CHC held regular league play Tuesday evenings and Thursday afternoons until March 16 2020. At that time CHC executive discontinued all league and tournament play due to COVID 19. Regular league play resumed outdoors July 2 and resumed indoors Sept 1 with strict adherence to COVID 19 Guidelines.

The CHC hosted the following Tournaments since the last AHPA Meeting:

- A one day tournament on Oct 4 2019 with 15 player attending. 4 from other zones.
- The Nov 16.17 2019 scheduled tournament was canceled because of bad weather.
- A one day tournament January 18 2020 with 15 players attending. 4 from other zones
- A one day tournament February 15 2020 with 19 players attending. 7 from other zones
- A one day tournament February 16 2020 with 16 players attending. 4 from other zones

All tournaments where canceled from March 16 2020 until October 2020

It is hoped the regular league play and hosting of tournaments will continue from this point on.

Several CHC members participated in the backyard tournament hosted by Tom Moffatt who I believe deserves the gratitude of all participants as this had to have been a lot of work.

The CHC has made major improvements to the indoor play area. The old asphalt floor had become uneven due to tree root from the neighboring property owned by Univar Canada. CHC approached Univar regarding the problematic trees and the company agreed to remove the offending trees at their expense.

Many discussions on floor replacement had taken place prior to 2017. The floor was put in place in 1986, so a 30 year life expectancy would put the floor replacement requirement at 2016.

When Don Wilby was elected president of the CHC in 2017 he soon got the ball rolling to look into getting the floor repaired or replaced. A Grant committee consisting of Don Wilby, Mary & Mike Holley, Jim & Dianne Beck & Gail Aker was established to look into of acquiring financial assistance from the City of Calgary. The initial application based on a study by IBI Group of building and site deficiencies, to improve Site Drainage on North asphalt parking lot and south side of the building as well as Full playing area and pit reconstruction was rejected by the City in October 2018. The city representatives recommended the Calgary Horseshoe Club provided a detailed technical report to support the full floor replacement. The club requested Jim Beck to prepare this report to be presented to the city. The CHC was informed Feb 14, 2020 that the Capital Conservation Grant (CCG) application with the City of Calgary was successful in securing city funds for the project. Total funding approved by the city was \$266,695, CHC was approved for \$200,021 (75%). The construction contract was awarded to CANA Construction Mar 20, 2020 with actual construction commencing Apr 22 (delayed due to Covid -19). The floor construction was completed under budget in July.

This project would not have been accomplished without the dedication of CHC volunteers.

First and fore most the club members owe a huge debt of gratitude to the executive members who worked countless hours on seeing the project to a successful completion.

A big thank you to Mike Holley, Sid Aker who did a lot of the heavy lifting waterproofing the pits, and installation of the pins and backboards. Robb Lallier painted the lines on the floor and the end walls in the play area and the bar. Many other dedicated volunteers were involved in removal and replacement of all material from the playing area. This work was ongoing throughout July and August.

Other improvement to the club.

Most of the interior has been repainted thanks to volunteers.

Installation of new windows and a security gate in the bar area.

The kitchen fire suppression system was brought up to current code requirements.

New lines were paint in the outdoor playing area. Thanks to Leo Coninx.

That about covers most of the goings on at the CHC since the last AHPA meeting.

The CHC hopes everyone has an opportunity to enjoy our renewed facility.

Zone 4 Report

Due to the Covid 19 pandemic, Zone 4 has experienced a quiet year. We were unable to host both our spring and fall meetings and our sanctioned tournaments. Member numbers have decreased in most of the clubs as within the AHPA. Of the current 6 clubs in our Zone, 3 remain active with more than one player. Members from Innisfail, Ponoka, and Red Deer clubs played throughout the pandemic, with Innisfail being the sole club in our zone to have league play and managed to observe safety protocols. Bentley, Lacombe and Wetaskiwin clubs have very few playing members. Our zone is hoping an upturn in memberships will occur during the following year. Bentley, Innisfail, Ponoka and Red Deer are submitting dates for tournaments in 2021. I have contacted Wetaskiwin and Lacombe Clubs for a report but have received no reply to date.

In closing, I am impressed with the direction our clubs and provincial association have reacted to the pandemic protocols instituted by our province. I am hopeful that next year we may resume horseshoe play as we once knew it once again.

Zone 8 Report

Much was changed this year due to the COVID pandemic.

The 2020 Canadian Horseshoe Championships was cancelled in High Prairie. High Prairie is grateful that they will be given the opportunity to host in 2022. High Prairie will also host the Western Canada Classic in 2022.

The High Prairie Club was not active this year with club nights as no facilities were available at the campsite where pits are usually placed.

No tournaments were held in the zone though a few associations and clubs had shown interest in holding events prior to COVID.

A local community (Joussard) are looking to install 4 courts but still have not decided on permanent or portable courts.

High Prairie Club has started talks with the town on locations available for permanent pits. Talks will resume again.

I personally took in several backyard tournaments as well as the on-line tournaments.

2019-2020 Zone 7 Director Report:

The year that didn't have spring or summer. And maybe the way things will be this coming season.

I kept in touch with [AHPA] some of you by phone or e-mail in order to get some info .. Our Website seemed to be in quarantine most of the summer. I realize that the past summer was slow and difficult but if it wasn't for word of mouth and the odd e-mail I would have missed the backyard mail-in tournaments.. The e-mail I got back in May should have been put on our home page of the web. Maybe we would have had more players from AB.. It was late August before I seen anything. Even a short note saying [hay guys check the Canadian web site for mail in tournaments]. Would have sufficed.

During This TRYING TIMES
I would like to suggest that any of us that have information or ideas that might be of interest to this association , , pass to on to your executive and let them decide whether it is worth addressing or not .. don't just sit on it..

BACK YARD TOURNAMENTS
It was nice to check tournament stats every week and see how other albertains were doing against Americans and others from across Canada . Only 2 Alberta players qualified for the grand championship touroy at the end, Russell Mercier and myself in the elders division. Our averages put us in the middle of the top 8 players and that was where we ended up.. Was a fun , If things don't change hope Tom Moffat does it again next year..

I was again part of the Bursary committee and was tasked to interview and process a couple of applications . I was presently surprised by the way they presented them self and talked about their future , and answered questions.

Zone 7 is the leased active of all zones , I know we don't have any tournaments because we don't have any clubs . Its not from lack of trying.. I've put on a yearly tournament for the passed 7 years to acquirer donations for our food back . The first 4 years I had up to forty players on 8 pits, now with only 2 pits at the senior centre I,m down to 24 participants . still doing quite well..

thank you

Vic Ouellette , zone 7 director

2020 Casino Report

The revenue from the 2019 casino was \$67260 received in Feb of 2020. Although AHPA has been approved for the 4th quarter of 2021, that could be delayed for as much as 3 quarters and our Use of Proceeds may be changed. The time line for using the current casinos funds is also subject to review and change.

2020 Alberta Sport Connection Report

The Alberta Sport Connection sent out a survey the middle of June for our association to apply for their grant. The survey consisted of a signed document by our president authorizing our application, our membership stats from 2019, our association's business plan, the date of our 2020 Annual General Meeting and a draft budget for 2020-2021 season. These documents were sent to them prior to August 31, as requested, and we received the first installment of our grant in September. Thanks to Jackie and Mary for their assistance in completing these documents.

AHPA Tournament Director report – 2020

Due to the COVID19 outbreak, we were unable to host any of our major tournaments for this season.

AHPA Statistician report – 2020

Due to the COVID19 outbreak, we were only able to hold 4 tournaments in the 2019 – 2020 season. October with 12 entries, November was cancelled, January with 15 entries, and 2 in February, Saturday with 19 entries and Sunday with 12 entries.

Club Leagues - 2020

6 clubs were able to hold league play this year. 4 in Calgary, 1 in Innisfail and 1 in Olds.

These clubs are all participating in the AHPA Club League Award Program. They have badges for High Average, High Game Over Average and Most Improved Player. As well as ringer % badges.

Hopefully we will have a better season next year.

2020 Membership Report

Our membership from January 1, 2020 to September 6, 2020 has been affected by the pandemic and consists of 178 members. 134 of these are players. Currently there are 37 females and 97 males playing. The remainder of members are nonplayers or associates. Also, of the 178 members, 30 of these were new members which consisted of 16 males, 7 females and 7 nonplayers.

The largest change in our membership is due to student participation from the schools. In 2029, there were over 1000 students from Calgary, Red Deer and Medicine Hat. To date this year, Calgary is the only club to have had student participation.

In comparison to last year, our membership was 238 with there being 150 males and 89 females. This is a decrease of 60 members.

On a positive note, our new members are from clubs across the province.

With the covid 19 virus, our association, along with many other sport organizations, will have to sit back and see what the future brings in regards to pandemic protocols. Hopefully we will once again be able to host tournaments and participate in league play throughout the province.

2020 Promotions – Game Related Sales Report

Even without tournaments, many players were purchasing new shoes. Sales of horseshoes doubles from the year before. Sales of shirts etc. were down by about 1/3.

There have not been any purchases in 2020. In 2021 there will be orders placed with M&M and Tom Gallina for shoes sold by each company. Until the inventory of jackets, shirts and hoodies is depleted, there won't be any of those items purchased.

AHPA currently owns 24 sets of portables courts. Of these 20 sets must remain in the trailer for use by affiliated clubs or rentals. The remaining 4 sets can be sold after the 2022 Canadians in High Prairie.

Strathmore is hoping to use the portables for the summer of 2021 until the town of Strathmore is able to install permanent courts in the town for the club.

CANADIAN HORSESHOE CHAMPIONSHIPS 2020 - 2022

The 2020 Canadian Horseshoe Championships were cancelled due to the COVID pandemic. A zoom meeting was held between Horseshoe Canada and the executive, and the decision unanimously was to move the 2022 Canadian Championships to High Prairie. The High Prairie Horseshoe Club has accepted this opportunity. Much planning had been completed for the 2020 tournament and they look forward to being able to move planning and ideas forward to 2022. The silver shoe has been displayed throughout the community and will continue to be displayed in various areas until the 2022 tournament.

Fundraising had been commenced prior to COVID with various plans/ideas. The High Prairie Horseshoe Club was participating in the High Prairie Gun Show to fund raise and bring attention to the upcoming event. The club had just started to distribute sponsorship forms and had already received approximately \$12,000 in sponsorship donations as well as donations of items. We felt that the feed back for the event was positive and we would have received many more sponsorships. Grand Prairie members were also fundraising and soliciting to assist us with monies and items. Our club very much appreciated this support.

The arenas and curling rink had both granted us use of the facilities. Hotel and campgrounds had blocks held and some reservations had already been made. A caterer for the banquet was in place.

Goody bags were decided on and a sponsor had stepped forward to assist us with the cost. Thankfully we had not yet ordered them. We had also decided on the awards but had not proceeded with them yet.

We had many people from the local community offer any assistance for the event and the High Prairie Horseshoe Club anticipate holding the 2022 Championships. We look forward to finalizing the date for this event. Discussion will start again for possible fundraising ideas/events.

Thank you and hope to see you all there.
